About the RTLA :-

Established in 2010, with its head quarter at Jaipur and registered under the Rajasthan Non-Trading Company Act, 1960. The Main objective of RTLA is to provide a common platform to library professionals for the exchange of latest updates, sharing new knowledge and improve the quality of Library and Information Centers along with strengthening the welfare of Library Professionals. The RT LA is dedicated for the holistic development of library profession and therefore very often various events like seminars, thought-provoking discussions and brains storming sessions for insights to conceptualize innovative research proposals have been usual activities under the banner of association. The association also frequently strives to organize invited lectures, workshops for professionals and students on contemporary advancements of library sciences.
