About RCEW

Established in year 2002, Rajasthan College of Engineering for Women is promoted by Chandrawati Education Society with the aim to enable the girl empowerment through technical education which will help students to unchain barriers to reach greater heights. The College provides one of the best environment for overall development of its students with a testimony of getting its students selected in TOP-10 of RTU academic topper list. The College is fully residential with a hostel capacity of more than 1200 girls with all facilities available inside the campus. The college has bus service at intra-city level and with rail, road and air at intercity level. RCEW's strive towards exceptional academics is fulfilled by our brilliant faculties who are regularly proving their results in the form of regular RTU merit holders, continuous academic toppers, brilliant placement record. The College enjoys an enviable reputation among the leading companies such as IBM, IGATE, SABRE, HCL, Microsoft, Capgemini, John Deere, Goldman Sach, HSBC, Grey meter, Daffodil and lot more.

About Rajasthan Technical Library Association (RTLA)

Rajasthan Technical Library Association was established on May 28, 2010, under the Rajasthan Non Trading Company Act, 1960. An executive council of twenty one members was elected wherein a constitution for the association was approved. Association is being provided as Annual and Life time membership with nominal fees. Rajasthan Technical Library Association is well-known state level Library and Information professionals Association with the core objective to provide a common platform to Library and Information centers along with strengthening and welfare of Library Professionals.

About JAIPUR

Jaipur is renowned on international tourism map as one vertex of Golden Triangle of Indian tourism. Countless documentary movies have been made on Jaipur in last 250 years. Jaipur was founded on 18th November 1727 by Maharaja Sawai Jai Singh II. Jaipur is known as Heritage City because of its rich heritage culture, customs, traditions, fairs and festivals, civilization, and hundreds years old forts and monuments. The glorious architecture of Jaipur the Pink City is renowned across the world. Wonderful Forts and Monuments garland the entire city in a planned manner. Jaipur Architecture is worldwide famous because of its technical details and beauty. Jaipur Architecture is based on Indian Vastu concepts. Maharaja Sawai Jai Singh II - the founder of Jaipur was a great architect and astronomer. This is the reason that the architecture of Jaipur is a wonderful case study for the modern architects of the whole world.

Call for Papers

A review panel will review the papers based on originality of the work, quality and relevance to the main topic of the seminar. The papers should be organized so as to accommodate abstract, introduction, objective, methodology, results obtained and references. Paper should be typed in A-4 size paper using single space with one inch margin on each side. The text should be typed in English 12pt size using Times New Roman Font. Peer reviewed and accepted papers will be published in the seminar volume with ISBN. Full Paper (not more than 3000 words) carrying the abstract, Title, Name (s), Affiliations, E-mail address, necessary references should be submitted by 31st Oct. 2017 to the organizing Secretary. At least one of the authors must pre-register for Seminar.

Authors are encouraged to send the electronic version at e-mail address: roshanjpr@gmail.com
